

Anoka County Library

Five Year Strategic Plan 2008-2012

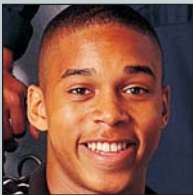

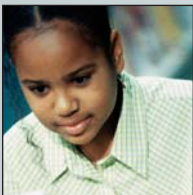

OUR MISSION

Anoka County Library... your connection to ideas, information, and inspiration.

OUR VISION FOR THE FUTURE

Anoka County Library... your community hub. We are a nimble organization working to provide a wealth of resources and experiences to enrich the lives of residents.

OUR GOALS & OBJECTIVES

I Access: We will be creative in linking our communities to easily accessed resources.

- A. Our library buildings will be conveniently accessible to residents.
- B. Our new delivery options for library services will offer greater access and convenience for our customers.

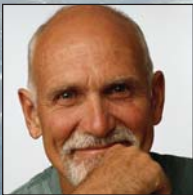

II Environment: We will create safe and inviting virtual and physical library spaces.

- A. Our libraries will be places that are appealing to our customers.
- B. Our libraries will utilize environmentally sensitive practices whenever possible.

III Resources: We will meet the changing needs of our communities.

- A. Our communities' library needs will be understood and met through technology, collections and programs that inform and inspire.
- B. Our customer service will be exemplary.

IV Visibility: We will ensure that members of our communities understand how the library can enhance their lives.

- A. Our residents will be aware of the library services available to them.
- B. Our communities and funders will recognize the significant return on investment that libraries provide.

V Sustainability: We will plan, partner and provide for the future of our libraries.

- A. Our partnerships with other organizations will benefit residents.
- B. Our Library will provide excellent value for taxpayers while building a framework for the future.
